

# Unlock modern retail growth with

ONE ECOSYSTEM. MORE REVENUE. LESS FRICTION.

AIQ and Flowhub have partnered to give cannabis operators a faster path to smarter growth, connecting your POS, customer data, marketing, and loyalty into one seamless system.

This is your opportunity to modernize your tech stack, eliminate silos, and activate real-time customer engagement ahead of your biggest sales moments.

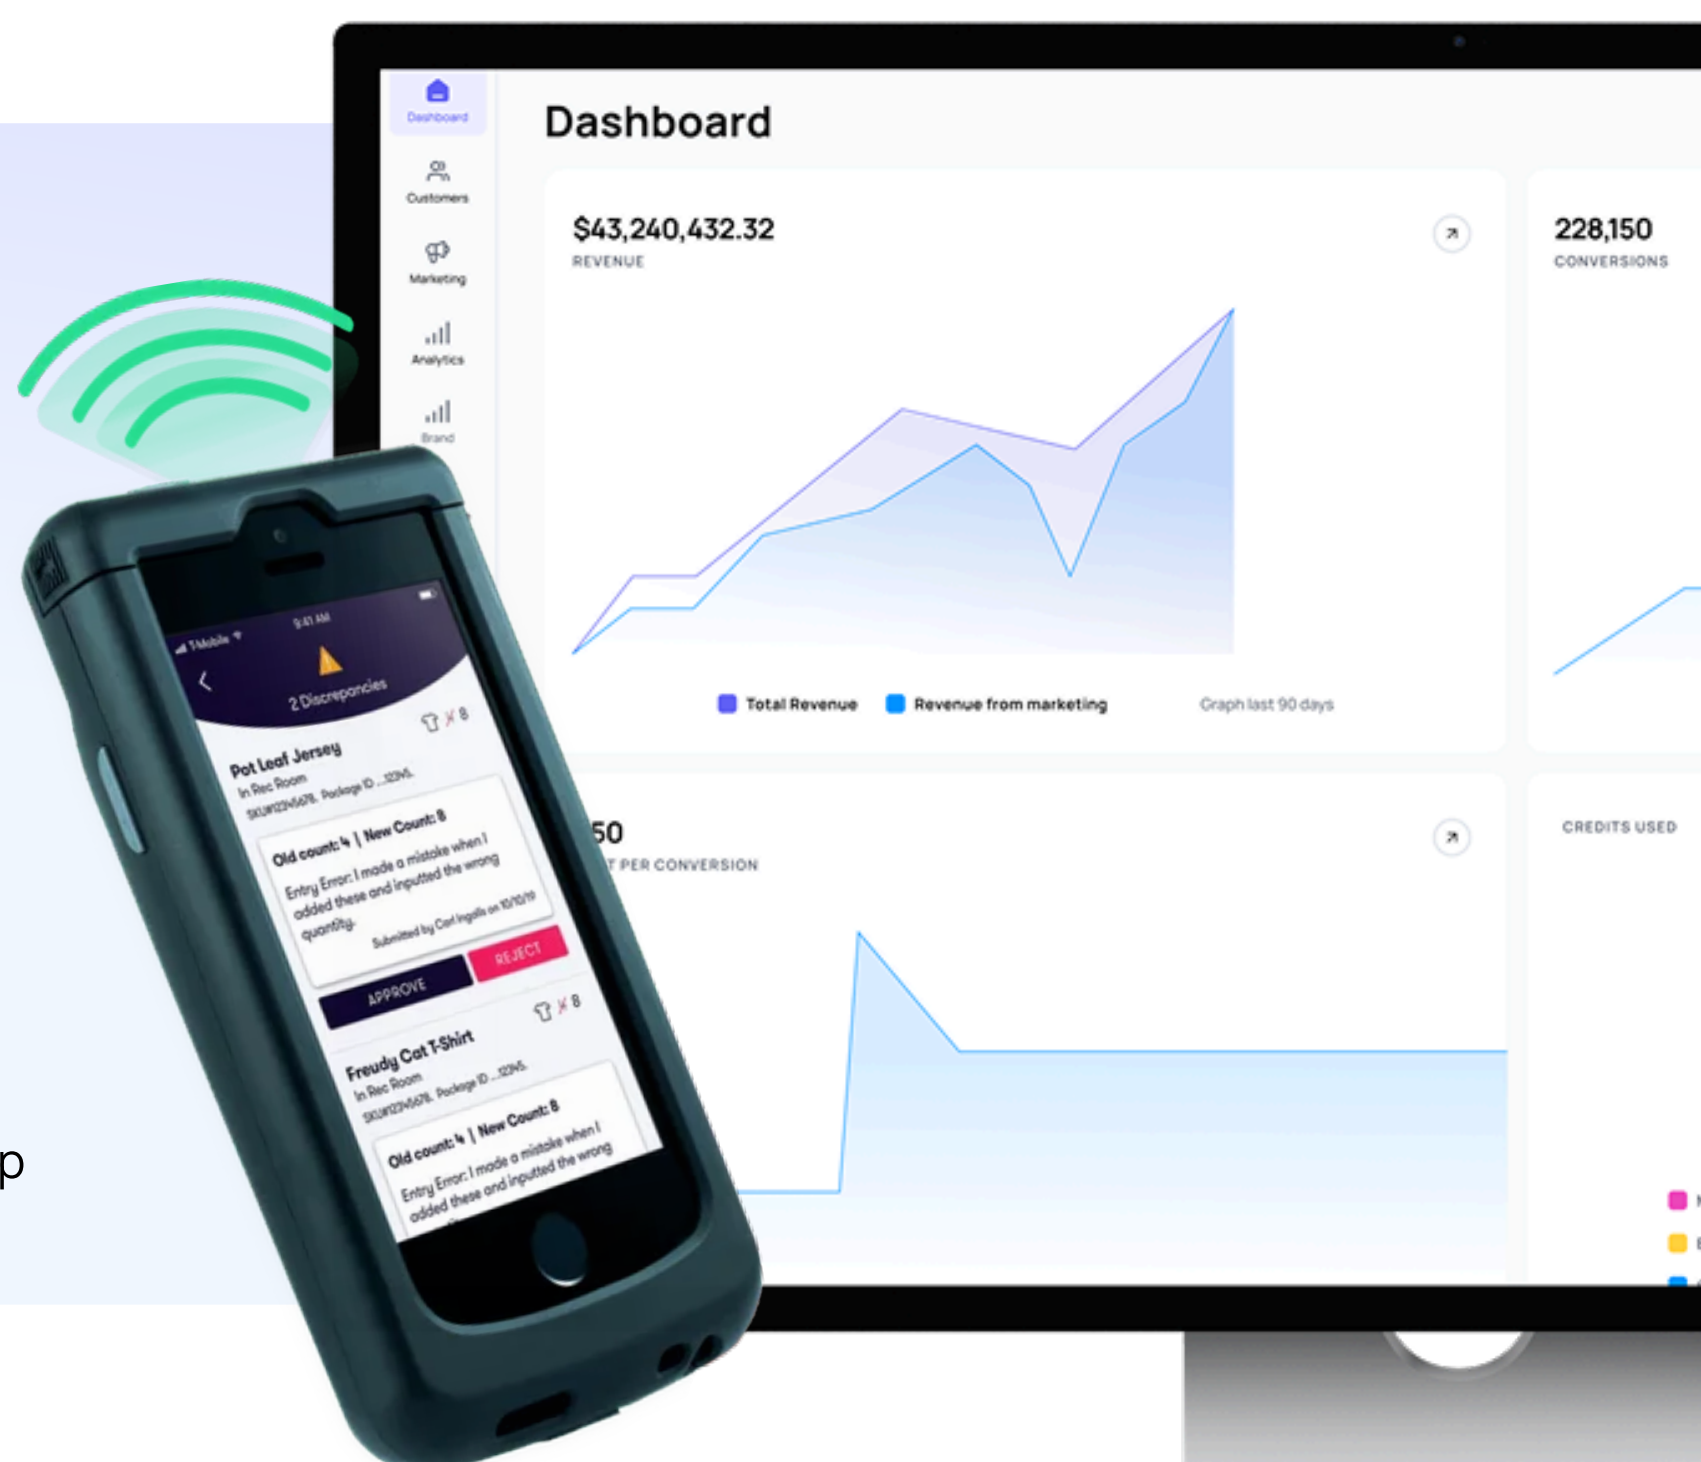

## What this unlocks for operators

**Turn transactions into relationships:** Sync POS data with AIQ to power personalized marketing and loyalty

**Activate real-time marketing:** Trigger campaigns based on live customer behavior (purchases, carts, visits)

**Increase repeat revenue:** Drive retention with automated flows, segmentation, and loyalty programs

**Operate without limitations:** Move beyond closed ecosystems with flexible integrations and full data ownership

# Exclusive **limited-time offers**

We're rolling out a limited-time partnership initiative designed to help operators get started faster and reduce the barrier to entry. (*\*Offers vary based on your current setup and eligibility.*)

For new AIQ customers

For net new AIQ x Flowhub customers

For new Flowhub customers (already on AIQ)

## Why this matters now

As operators head into peak demand moments like 4/20, the ability to:

Launch campaigns instantly

Capture and act on customer data in real time

Drive repeat visits without manual work

...is no longer optional. It's the difference between keeping up and pulling ahead.
